Had a debate this morning with @krystalball about an earlier tweet of mine where I stated that the most racist people in America are white liberals and so I would like to clarify my earlier statement:

The most racist people in America today are white liberals.

Still. 🤔

BREAKING: I was just targeted by @AndrewGillum's anti-Jewish campaign.

I was sitting peacefully inside the synagogue for his event & he had me forcibly removed by 2 officers.

Seasoned observers of Trump will understand from this tweet, that the President already knows what's gone down in the #FakeBomb hoax - and is now going to hang his enemies in the #FakeNews, by their own petards.

Note the direct reference to CNN 🙄

Donald J. Trump @realDonaldTrump
Funny how lowly rated CNN, and others, can criticize me at will, even blaming me for the current spate of Bombs and ridiculously comparing this to September 11th and the Oklahoma City bombing, yet when I criticize them they go wild and scream, "it's just not Presidential!"

Fantastic news.

Swetnick's lie against Justice Kavanaugh was arguably the worst of them all.

It will be interesting to hear her testimony about who was involved in encouraging her to come forward, apart from #CreepyPornLawyer
